

DEPARTMENT OF CHEMICAL OCEANOGRAPHY

COCHIN UNIVERSITY OF SCIENCE AND TECHNOLOGY (CUSAT)

SMART Science Internship Programme 2026 Scientific Methods and Advanced Research Training

*Upgrade your degree with the ultimate interdisciplinary skillset,
Master the lab, protect the planet, and harness AI*

COURSE CONTENT:

- Analytical Chemistry: Hands-On Lab Skills & GLP
- Introduction to Sophisticated Hyphenated Instrument Techniques
- AI in Research: Modern Tools for Data & Discovery
- Environmental Studies: Problems & Mitigation Strategies
- Field Training: On-Site Trip & Sampling
- Career Growth: Research Methodology & Job Hunting Skills
- Capstone: Mini Project & Professional Presentation

SUMMER INTERNSHIP

APRIL - JUNE 2026

ENROLL NOW

Application Deadline: 28th Feb 2026

WHO CAN APPLY

FYUG Students

Duration:

120 Hour Program

15 Intensive Working Days

Fee:

₹5,900/-

Outcome:

Report, Certificates after OBE & Viva

Register now:
